

MD. SHAHIDUZZAMAN

Email: shahiduzzaman.mail@gmail.com

Mobile: 01767-097447

Address: South Basabo, Sabujbagh, Dhaka-1214.

Professional Summary:

Full Stack Shopify Developer with 1+ years of experience in developing, customizing, and optimizing Shopify eCommerce stores. Skilled in Shopify Liquid, HTML, CSS, JavaScript, PHP, Laravel, AJAX, MySQL, React with expertise in theme customization, custom section development, app integration and performance optimization. Experienced in converting Figma designs into responsive, user-friendly and conversion-focused Shopify stores using CSS3. Strong problem-solving abilities with hands-on experience in bug fixing, troubleshooting, and delivering scalable eCommerce solutions tailored to business requirements.

Career Objective:

To obtain a Shopify Developer position where I can utilize my expertise in Shopify theme development, Liquid customization and store optimization to build high-performing, conversion-focused eCommerce solutions and grow professionally.
